Redefining the workspace collaboration

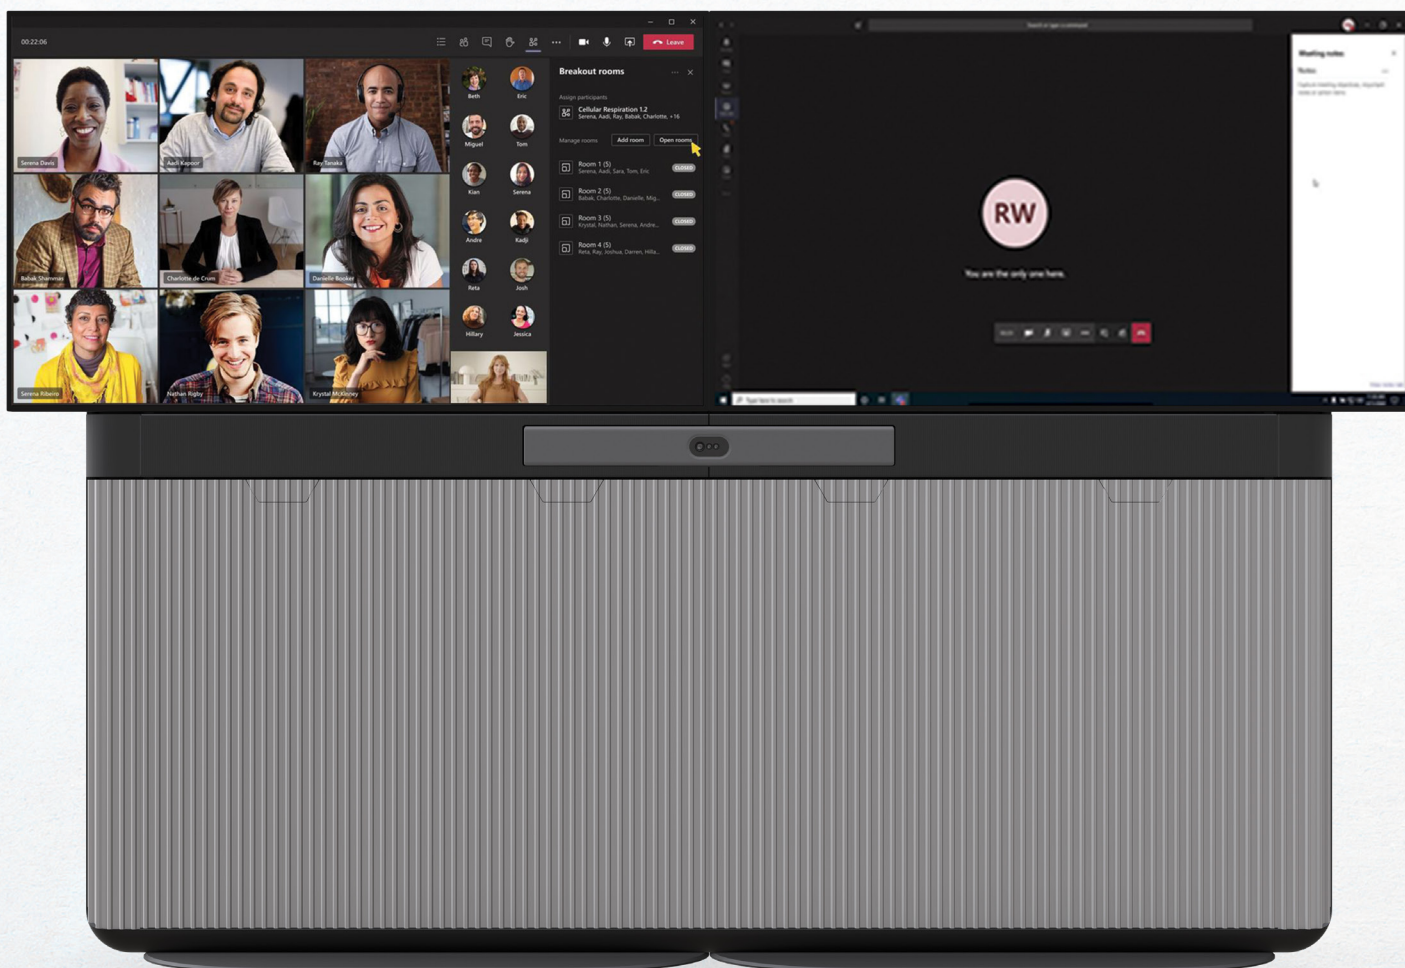

PRODUCT BROCHURE

LOGIC PODS

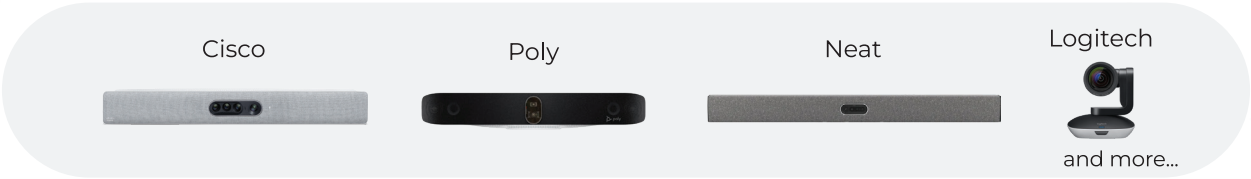

Logic Pods are designed to make meeting spaces simple, organized, and effective. With a clean, cable-free design, they help clear away clutter so teams can focus on what matters. Available in options for different room sizes and meeting types, Logic Pods fit a variety of display sizes & include space for essential equipment like cameras and soundbars. They work smoothly with popular video platforms like Zoom and Microsoft Teams, making collaboration easy whether it's a quick huddle or a big presentation. Built to last and easy to customize, they are a smart way to create welcoming and productive spaces that support teamwork & clear communication.
